Employers' Feedback on Curriculum 2021-22

EMPLOYER'S FEEDBACK ON CURRICULUM

Most of the respondents were of the opinion that the present curriculum is 'Good' for meeting the requirements such as employability, developing skill based human resources, providing field awareness, developing innovative thinking and providing scope for holistic development. The result also shows that the curriculum have an excellent scope for meeting the higher education needs of the students. For the excellent performance of curriculum some of the suggestions on the part of employer are noted here:

- The curriculum should supplement the students to do the research papers in a mini Ph.D format. It will enhance their interpretation and problem solving skills .
- It should be closer to Industry professionalism and needs to provide more of Corporate exposure with Internships, Industrial visitors, practical courses etc.
- Need to improve and consider more of technology related syllabus and practicals.
