STUDENT SUPPORT

- Computer Lab – The department has provided a computer lab facility for students to apply for their scholarships, to identify opportunities in higher studies, job opportunities and to do their project related works.
- Department Library – There is a library for students' reference. The library itself has a book bank system. Excellence in all spheres can be ensured only by extending a hand out to those around us. Book bank of our department is committed to our students to help those who find difficulty to buy new books. For this our students and teachers wholeheartedly organised a book bank system where they can take and hold the necessary books till the end of the semester. Year after year new books are added and are issued to the deprived students' community, thereby uplifting them as a cultured and educated class of citizen.
