

Department of Economics

Annual Report 2020-2021

The Department of Economics has been outstandingly functioning in the college since 2018. The department has pioneered many academic as well as co-curricular activities. It has been providing certificate courses as well as an add-on course to the students in catering the needs of the students in par with the requirements of the labour market. Academic year 2020-2021 begun during the spread of global pandemic Covid-19 which has constraint the proper functioning of the department as the government announced country wide lockdown. It changed the mode of teaching as well as the conduct and delivery of co-curricular and extra-curricular activities from offline to online mode.

The academic year 2020-2021 begun with the appointment of new members to the faculty thereafter overseeing and coordinating the conduct of day-to-day as well as other academic activities of the department. The newly appointed faculty members has soon adapted to the new modes of delivery of academic content. The activities of the department, conducted amidst the pandemic by the students and faculty members of the department, during the academic are summarized as follows.

DEPARTMENT ACTIVITIES

Report on Two-Day Webinar Series on Data Analysis in Research

The report provides an overview of a two-day webinar series conducted by the Department of Economics at NSS College Nemmara on August 7, 2020. The series focused on the topic "Administrative Data for Research Purpose" and was led by Shri. Shojan AP, Deputy Director of the Department of Economics and Statistics, Thrissur. Day 1 of the webinar covered introductory concepts of administrative data, data quality, reliability, ethical considerations, and research applications.

Date: August 8th, 2020 and 9th August ,2020.

Presenter: Dr. Rasaq Wafi, Assistant Professor, BYK Training College, Malappuram

The Department of Economics at NSS College Nemmara conducted a two-day webinar series on August 8, 2020, on the topic of "Data Analysis in Research." Dr. Rasaq Wafi, an Assistant Professor at BYK Training College, Malappuram, served as the keynote speaker. The first day covered the basics of data analysis, including data collection, preprocessing, and descriptive statistics. The second day delved into inferential statistics, statistical software tools, and

included a hands-on workshop. Participants found the webinar informative, with positive feedback, and appreciated the practical skills acquired. This event demonstrated NSS College Nemmara's commitment to providing valuable educational opportunities even in a virtual format.
