Research Methodology: Data Analysis using SPSS

The Department of Economics at NSS College, Nemmara, successfully organized a comprehensive webinar series on Research Methodology using SPSS. This series aimed to provide participants with a profound understanding of research methodologies and data analysis techniques, particularly through the utilization of SPSS (Statistical Package for the Social Sciences). The series spanned over two days, from October 4th and 5th, 2022, and witnessed enthusiastic participation from students, faculty members, and researchers from various institutions.

Research Methodology plays a pivotal role in the academic and professional lives of students and researchers. The series aimed to empower participants with the knowledge and practical skills necessary to conduct effective research and data analysis. The two sessions of Research Methodology Analysis have been conducted by the Department of Economics, which cater to the needs of Fifth Semester BA Economics students for their Project Evaluation. The first session has been handled by the eminent key speaker Mr. Sadiqe working in the capacity of Research Officer, District Planning Board, Malappuram. The session was systematized on October 4, 2022. The key theme of the seminar lies upon the fact that the students of Economics have benefitted upon the analysis aspects of their topics of Research. This helps them a lot for the apt inferences about the areas of research.

The second and final session have been incorporated the fundamental aspects of Data Analysis using SPSS, led by Dr. Jins Varkey, Assistant Professor, Department of Economics, St. Aloysius College, Elthuruth. The key beneficiaries of students of department of Economics have increase their analysis capacity by using the SPSS in the competitive world of Research.

. It contributed significantly to enhancing the research capabilities of participants, empowering them to conduct rigorous research and data analysis. The Department is committed to organizing similar initiatives in the future, further promoting research excellence within the institution.
