

**N.S.S. College Nemmara - Department of Zoology
Activities Report 2023-2024**

Department of zoology in association with other science departments of the institution, conducted open day science exhibition on 31/11/2023. Visitors which included students from the nearby schools and colleges as well as teachers and students of the home institution recorded various supportive responses and feedbacks.

There was astonishing display of numerous biological organisms including flying fishes and snakes, still models of ecological pyramids, food web and representative models of zoo. Working models of DNA molecule, body organ system, corona virus and magnificent aquarium had huge spectators.

A handwritten signature in black ink, consisting of stylized initials and a long horizontal line extending to the right.
